Thanks, Christine. If we are operating in Dave's comfort zone, that's all I care about. I appreciate that invitees need to be high level folks. Also, should a knowledgeable EPA attorney be on the line?

Don and all, this is a high level meeting and we need to appropriately prepare folks who will attend that meeting (the RA and the Office Director). Dave Powers is central to preparation.

Jayne,

If Dave Powers will be part of Region 10's representation and will be allowed to speak freely, then I feel EPA's strongest, most knowledgeable, voice on the forestry issues at the heart of the settlement agreement will be heard. If so, I agree that HQ does not need to be at the table. I also feel that Kelly Gable needs to be part of this meeting.

Hi Don,

After speaking with Christine Psyk, our associate office director, it does not seem necessary for HQ to participate as EPA Region 10 can represent EPA at that meeting.

Christine arranged to talk with Lynda Hall next Wednesday. Your thoughts?
